VILLA CERANA

815 m²

16350 m²

3000 mt

Between Forte dei Marmi and Pietrasanta in a beautiful location not far from the beaches of Forte dei Marmi, we offer for sale a large plot of land measuring approximately 1

6 hectares (16,350 m2) with several agricultural buildings. It is possible to demolish all the buildings and to build a new residential villa of approximately 815 m2.
The property is very open, has beautiful mountain views, and is located in a very quiet location. This is a rare opportunity.
